- 1 Major and Minor Chords Major Chords The foundation of most popular music these chords are characterized by a bright and uplifting sound They are built using the root major third and perfect fifth of a scale For example a C major chord consists of C root E major third and G perfect fifth Minor Chords Adding a touch of melancholy minor chords create a somber and introspective feel They are built using the root minor third and perfect fifth of a scale A C minor chord is comprised of C root Eb minor third and G perfect fifth
- 2 Seventh Chords Adding a seventh to a basic triad creates a richer more complex harmony Major Seventh Chords These chords add a bright extended sound A C major seventh chord is comprised of C E G and B major seventh Minor Seventh Chords These chords introduce a melancholic and soulful quality A C minor seventh chord is comprised of C Eb G and Bb minor seventh Dominant Seventh Chords These chords are characterized by a strong resolving quality often leading to the tonic chord They are built with a major third perfect fifth and a minor seventh A C dominant seventh chord is comprised of C E G and Bb
- 2 3 Other Important Chords Beyond major minor and seventh chords other chords add color and complexity to jazz and popular music Diminished Chords These chords have a unique slightly dissonant sound They are often used as passing chords or for creating tension Augmented Chords These chords have a bright sharp sound often used to add a dramatic twist Sus Chords These chords replace the third with a fourth or second creating a suspended effect

Building the Tapestry Progressions Chord progressions are the sequences of chords that create the framework of a musical piece They guide the listener through a journey of emotions and musical ideas

1 Common Chord Progressions I IV V This classic progression is found in countless songs across genres It forms a strong foundation for popular and rock music ii V I This jazz standard creates a sense of resolution and tension It is particularly prominent in blues and jazz improvisation I vi IV V This progression adds a touch of minor character to the traditional I IV V

2 Understanding the Function of Chords Tonic I The home chord providing a sense of stability and resolution Subdominant IV Creates a feeling of movement away from the tonic adding a sense of anticipation Dominant V Creates tension and a strong pull towards the tonic ii iii vi Secondary dominants often used to add harmonic complexity and color

3 Exploring Advanced Techniques Borrowed Chords These chords are borrowed from other keys creating a unique flavor and adding harmonic interest Tritone Substitutions These chords create a dramatic sound by using the tritone of the dominant chord Modal Chords Chords drawn from specific modes of the scale allowing for a different harmonic feel and flavor
