the second installment in the people s trilogy the groundbreaking series from samuel johnson prize winning author frank diktter for anyone who wants to understand the current beijing regime this is essential background reading anne applebaum essential reading for all who want to understand the darkness that lies at the heart of one of the world s most important revolutions guardian diktter performs here a tremendous service by making legible the hugely controversial origins of the present chinese political order timothy snyder in 1949 mao zedong hoisted the red flag over beijing s forbidden city instead of liberating the country the communists destroyed the old order and replaced it with a repressive system that would dominate every aspect of chinese life in an epic of revolution and violence which draws on newly opened party archives interviews and memoirs frank diktter interweaves the stories of millions of ordinary people with the brutal politics of mao s court a gripping account of how people from all walks of life were caught up in a tragedy that sent at least five million civilians to their deaths

analyses the third world within the context of the historical trends of independence liberation and revolution and treating its diversity as an integral part of the world subjected to tensions confrontations negotiations and compromises in its relations with the first and second worlds

one of the most important thinkers on just war and pacifism describes analyzes and evaluates various patterns of thought and practice in western christian history

this book which in my opinion is moltmann s best can be recommended on the basis that it contains challenging and creative insights that can be used by the discriminating reader in the service of church renewal moltmann represents the theology of liberation at its best and those who wish to know more about

this theology would do well to study this creative and searching theologian donald g bloesch christianity today moltmann is perhaps unsurpassed among his contemporaries in keenness of insight and rhetorical power daniel l migliore theology today moltmann presents a stirring vision which every christian community could well ponder with a missionary emphasis he seeks to help the reader face the question of the church s identity in the light of the contemporary political economic and social scene religious education

using the socio political discourse of kwame nkrumah a pioneering pan africanist and ghana s independence leader nartey investigates the notion of political myth making in a context underexplored in the literature he examines nkrumah s construction of a myth described in the book as the unite or perish myth i e the idea of a united states of africa being a prerequisite for the survival of africa in the post independence period exploring the rhetorical resources he deployed categorizing and analyzing key tropes and metaphors and setting out the myth s basic components this book focuses on three areas an investigation of political myth making as a social and discursive practice in order to identify particular semiotic practices and linguistic patterns deployed in the construction of mythic discourse the unpacking of the discursive manifestation representation features and functions of political mythic themes and finally to propose and implement an integrated discourse analytical framework to account for the complexities of mythic discourse and political narratives in general it analyzes how nkrumah deployed his discourse to concurrently construct heroes and villains protagonists and antagonists as part of an ideological mechanism aimed at galvanizing support for and instigating action on the part of the masses towards his lifelong african dream nartey s book steps out from the conventional domain of critical discourse studies to focus on myth as a form of populist performance it will be of interest to postgraduate students and academics in critical discourse studies rhetorical discourse analysis african and diaspora studies and african history as well as non academics such as journalists political commentators and people who

consider themselves to be nkrumaists and pan africanists

this book first published in 1989 examines the creation and implementation of communist policy in vietnam during the crucial period between the 1954 geneva conference and the establishment of the national front for the liberation of south vietnam in december 1960 this study challenges long held views about the origins and nature of the viet cong it carefully examines the various stages in the struggle for national liberation during this period reviews the consequences of the failure of purely political means to achieve reunification and then focuses on the struggle between the diem regime and the communists

the first major synthesis of the war since 2001 drawing upon a host of newly declassified documents presidential tapes and overlooked foreign sources to give the most comprehensive look to date of the war that still haunts america

allow the water combines an introduction to nonviolence with a deeper exploration into some of its dimensions though its style is mainly that of storytelling there are also as many helpful references as possible the book is 500 pages long but photos and drawings make up almost half the volume this is an exploration of the spirituality and practice of the force of love we inadequately call nonviolence nonviolence is people and their stories before it is idea a way of living and acting not just a way of thinking this book is one contribution to an urgently needed conversation it is not meant to be complete there are questions observations and convictions hopefully in their thoroughness and simplicity the contribute to our common search

presenting new research by leading specialists in the fields of history literature and film studies this stimulating volume is the very best in interdisciplinary scholarship and will define the subject for years to come it situates the liberation in the broadest possible context of image and event a breadth which extends to questions of memory and analogy and incorporates subtle layers of ambiguity

this second edition of the handbook of multicultural counseling marks an important turning point it brings together the voices of some pioneers who have paved the way and introduces us to new voices who while influenced by the pioneers have taken different paths because the multicultural community is well represented in content and scholarship in this second addition the reader can be assured that the view points represented in this book speak to the core issues of the field i am excited about this handbook because the authors answer the question that is often heard at many a conference where is the research to support multicultural counselling i am equally excited about this handbook because it breaks new ground by using as its anchor oral histories which demonstrates that for many of us multicultural counselling is not simply a research agenda but a life long journey that cannot always be measured the underlying theme of social justice only reinforces our commitment to this journey drs ponterotto casas suzuki and alexander have once again helped shape the multicultural conversation to those who have often said where is the research look not further donald b popedavis university of notre dame its first edition set a standard for a then emerging field now the handbook of multicultural counseling second edition presents not merely an update of the original but a completely reconceived work reflecting the many developments that continue to expand the field of multicultural counselling this new edition features mostly brand new chapters and expanded coverage of historical perspectives on the field highlighted by personal accounts from some of the pioneers in the area professional and ethical issues counselling s role in fighting oppression psychological measurement theories research design gender issues and higher education issues with contributions once again from the field s key leaders as well as top emerging scholars this new edition maintains the breadth and comprehensiveness of the original the handbook of multicultural counseling second edition is a critical resource for counsellors counselling students and other mental health professionals who seek to improve their competence in treating a culturally diverse clientele

from the founding fathers through the present christianity has exercised powerful influence in the united

states from its role in shaping politics and social institutions to its hand in inspiring art and culture the encyclopedia of christianity in the united states outlines the myriad roles christianity has played and continues to play this masterful five volume reference work includes biographies of major figures in the christian church in the united states influential religious documents and supreme court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more the first volume opens with introductory essays that provide snapshots of christianity in the u s from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events entries are organized from a to z the final volume closes with essays exploring impressions of christianity in the united states from other faiths and other parts of the world as well as a select yet comprehensive bibliography appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

the memorandum demonstrates the feasibility of rapid detailed computer aided indexing of the high volume low density english language material on communist china rand s quester program was modified for magnetic tape selectric typing rather than keypunching enabling proofreading before computer input in one day one indexer can process the 50 page foreign broadcast information service communist china daily report results are keyboarded from the marked document and corrected in 8 hours computer printout is reduced to 1 13 by computerized typesetting for headings names found in the text are used standardizing forms for recurring concepts ignoring scale economies and assuming 1000 subscribers yearly costs would be 79 each 588 for all 6 fbis series indexed by the government a university or a research corporation a one month sample fbis index with 3600 subject categories constitutes the bulk of the memorandum author
