this chapter provides a brief overview of the book highlighting the modest progress from child welfare to child well being reflected in these chapters and the parallel movement in kahn s career and research as his scholarship developed over the years it then moves to explore the relationship between two overarching themes child and family policy stressing a universal approach to children and social protection stressing a more targeted approach to disadvantaged and vulnerable individuals including children and the complementarity of these strategies introduction to a large extent alfred j kahn was at the forefront of the developments in the field of child welfare services protective services foster care adoption and family preservationandsupport overtimehisscholarshipmovedtoafocusonthebroader policy domain of child and family policy and the outcomes for child wellbeing his work as is true for

this volume progressed from a focus on poor disadvantaged and vulnerable children to a focus on all children he was convinced that children by definition are a vulnerable population group and that targeting all children employing a universal policy as a strategy would do more for poor children than a narrowly focused policy targeted on poor children alone as we first argued more than three decades ago not for the poor alone universalism and income testing in family policy one could target the most disadvantaged within a universal framework and this would lead to more successful results than targeting only the poor

click additional materials for downloadable materials and samples incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic essential for all readerships choice a timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry robert d putnam professor at harvard university and author of bowling alone with every passing minute it becomes more and more apparent that our world is one community the encyclopedia of community serves as recognition of this trend and as a needed resource the four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries sarah ann long past president 1999 2000 american library association as we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities the encyclopedia of community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities the encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children nancy kranich past president of the american library association whose presidential theme was libraries the cornerstone of democracy 2000 2001 american politicians often pair the word community with the word freedom to describe our basic values yet though used constantly the word community is defined in widely different and contested ways most people like the idea of community but some intellectuals worry that it might imply collectivism the great value of this new encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake it is a major contribution to a more coherent understanding of this fundamental idea robert bellah professor of sociology emeritus university of california berkeley and co author of habits of the heart sage publications is proud to announce the encyclopedia of community a major reference work that summarizes the many fascinating and important concepts of a global topic community itself is a concept an experience and a central part of being human whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views arranged in an a to z fashion the encyclopedia can also be viewed topically via a reader's guide this allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies edited by the award winning team at berkshire
