originally published in 1968

in 1968 university of california press published an unusual manuscript by an anthropology student named carlos castaneda the teachings of don juan enthralled a generation of seekers dissatisfied with the limitations of the western worldview castaneda's now classic book remains controversial for the alternative way of seeing that it presents and the revolution in cognition it demands whether read as ethnographic fact or creative fiction it is the story of a remarkable journey that has left an indelible impression on the life of more than a million readers around the world

a study of what happens when people dream of death in many different eras and cultures and what these dreams say to us about life

castaneda's first book in the don juan series he meets don juan and is introduced to his magical

world and philosophy by means of hallucinogenic plants and special exercises the author's other books include *The Fire Within* and *The Quest for Ixtlan*

Als in den 1960er Jahren die Hippies aufkamen, erkannten darin manche eine neue Jugendbewegung. Tatsächlich fanden sich im alternativen Milieu der 1970er und 1980er Jahre nicht wenige Praktiken, politische Ideen und habituelle Muster, die an die Lebensreformbewegung der Jahrhundertwende erinnerten: freie Sexualität und Freikörperkultur, Siedlung auf dem Lande, alternative Haartracht und Bekleidung, Kritik der modernen Gesellschaft, Streben nach Gemeinschaft, politischer Radikalismus. Zugleich unterschieden sich die Kontexte dieser Kritik: Urbanisierung und industrielle Moderne auf der einen, postindustrieller und auf der kulturellen Ebene postmoderner Strukturbruch auf der anderen Seite. Die Beiträge untersuchen zum einen, inwieweit sich diese Phänomene ähneln oder unterscheiden, und zum anderen fragen sie nach den Verbindungslinien, personeller oder institutioneller Art, sowie den Rezeptionsmustern der Lebensreform im Alternativmilieu. When the hippies emerged in the 1960s, contemporary observers spoke of a new youth movement relating them to the Jugendbewegung of the early 20th century. In fact, there were quite a few practices, political ideas, and habitual patterns in the alternative milieu of the 1970s and 1980s which seemed to be familiar from the Lebensreform life reform movement of the turn of the century: free sexuality and nudism, settlement in the countryside, alternative hairstyles and clothing, criticism of modern society, striving for community and political radicalism. At the same time, the contexts of this critique differed: urbanization and industrial modernity on the one hand, postindustrial and on the cultural level postmodern structural break on the other. The volume examines the extent to which the two phenomena were similar but also looks at differences, personal or institutional links, and patterns of reception.

The memoirs of a woman who became the mistress of Fidel Castro describe her affair with the Cuban dictator, her career as a reluctant CIA agent, work with Lee Harvey Oswald, and more. 25,000 first printing. First serial, Vanity Fair tour.

Gospel of the Open Road reclaims Ralph Waldo Emerson, Walt Whitman, and Henry David Thoreau as America's spiritual birthright. It rescues them from literary history and reveals them in their true light as democracy's prophets of the soul. Emerson, Whitman, and Thoreau were religious seers who developed a new form of spirituality, and *Gospel of the Open Road* explains in scholarly yet passionate fashion the deep wisdom that is their enduring legacy. It presents them as a viable spiritual path for those who do not belong and do not want to belong to any organized religion. But this book does more: it draws fascinating parallels between the new spirituality taught by Emerson, Whitman, Thoreau, and ancient spiritual wisdom as found in shamanism, goddess worship, tantra, taoism, confucianism, vajrayana, and zen buddhism and hinduism. This book is an evocative synthesis of humanity's most venerable spiritual wisdom and the most modern of philosophical, social, psychological, political, scientific, and humanistic concepts. It traces the new age spiritual revolution to its source in Emerson, Whitman, and Thoreau and explains how to apply their

spiritual teachings to our everyday life here on earth

this study is based on a thirty month residence in yaqui communities in both arizona and sonora and consists of integrating information from documented historical writing of some primary source documents of three centuries of contemporary descriptions of yaqui customs and individuals and of anthropological studies based on direct observation

the san ignacio s day fiesta is one of old pascua s four most important ceremonies of the year the saint s day of st ignatius falls on july 31 and in order to avoid taking time from their jobs the people in pascua celebrate it on a weekend near that date the fiesta begins on saturday afternoon continuing through the night into sunday morning the actual fiesta is the culmination of weeks of preparation including calling on various people and groups in the village for help collecting food gathering firewood putting up the fiesta decorations and making ready the place where the dancers will perform

consistently praised for being streamlined and clear and student friendly this text offers the beginning theatre student an exciting full color introduction to all aspects of theatre it presents the experience of theatre who sees what is seen where and how it is seen largely from the viewpoint of audiences exposed to a complex living art that involves people spaces plays designs staging forms language and productions the book includes the appropriate coverage of the history diversity and most critical moments in theatre in a way that encourages students to experience theatre as a performing art and humanistic event

this is an explosive collection of essays written by leading scholars of north american indians most of them heavily involved in service and applied work often on behalf of indian clients communities and organizations in an area saturated with deadening consciously politicized orthodoxy these seventeen essays aim at nothing less than the reconstruction of our understanding of the american indian past and present the volume examines in careful accurate

but uncompromising ways the recent construction of the prevailing conventional story line about america s most favored underclass the first eight essays introduce the volume and treat a variety of specific invented traditions concerning indians these are followed by four essays on broader thematic issues related to the demographic religious cultural and kinship elements in indian studies the final five chapters express a comparative perspective from anglo and french canada europe from inside the bureau of indian affairs and from a legal position the invented indian explores how cultural fictions promote divisiveness and translate into policy throughout the volume reveals a deep and abiding respect for indians their histories and their cultures saving its critiques for jaundiced academics and callow politicians representing years of cooperative effort this work brings together a group providing breadth and balance far more than a critical collection it is a constructive effort to make sense of a field displaying empirical confusions and moral muddles the volume will be of interest to anthropologists professionals in indian studies and policymakers

continuing the collection of master comics writer alan moore s award winning run on the saga of the swamp thing this fourth volume brings swamp thing s quest for self discovery with the mystic john constantine to its shattering conclusion a harbinger of doom has been released with the sole charge of waking an evil beyond comprehension and swamp thing john constantine deadman the phantom stranger etrigan the demon the spectre and other masters of the occult must unite against the dark forces that threaten to eradicate heaven s light collecting swamp thing 43 50
